## **SECTION 1.420 – GRANT APPLICATIONS**

The Adams County Public Library is a body politic incorporate established under the laws of the State of Ohio. The governing body of the library is the Board of Trustees appointed under the laws of Ohio. The Board has wide powers to establish, promote and maintain library service. The Board's responsibilities include selection and appointment of the Executive Director and Fiscal Officer; securing of funds adequate for a progressive, expanding program; control of library funds, property, and equipment; and promotion of library interests. The Board approves the appointment of all staff members, acts on the policies recommended by the Executive Director and is responsible to the people for library activities and services.

The grant policy as set forth in the following paragraphs has been adopted as official policy as of August 12, 1998.

1. The Board appreciates and solicits the support of all individuals and organizations.
2. The Board encourages supporting groups and individuals to seek out grant application opportunities.
3. In order to maximize the effectiveness of the Board's resources and efforts, the Board believes that any grant application benefiting Adams County Public Library should be approved by the Board.
4. The Board requests that all grant applications be submitted to the Executive Director for his review and recommendation at the next Board meeting.
