

## **Enrichment Services Report – September 2020**

Throughout September, the members of the Pandemic Planning Team discussed and planned new services for the public. Now, we are offering curbside, drive-thru, appointment, and limited walk-in services to our communities. Patrons are able to come to the library without an appointment by using our walk-in service as long as there are less than 10 people in the building.

In addition, the programmers have decided to offer a new passive reading program titled, Merry Money. In this program, children, ages 3-12, read books to earn "money" to spend at the online Santa Shop. The prizes can be picked up via curbside or by appointment. Participants can sign up online to record and track their progress using Beanstack or they can call the library and pick up a reading log. This program allows participants to earn up to \$20. Reading 50 pages of a chapter book earns participants \$1. Younger participants can earn \$1 for every 5 picture books read. The prizes for this program include craft and science kits, games, toys, etc.
