

# GRIT JOBS APPLY NOW

The GRIT project has multiple employment opportunities allowing employees to work from home or from local remote job centers. To begin, complete the form online at <https://www.gritohio.org/job-opportunities>.

## A sample of the job opportunities...

- Work-From-Home State COVID CSR Coordinator – Aggressively working to fill **25+ positions by Nov 30**.
  - **Hundreds of positions to fill starting in January 2021**. Looking for all interested adults to take the futureplans.com work skills assessment to be ready for immediate hire or for a January start date.
- Large National Insurance Company – New opportunity for a huge partnership. Looking for a few candidates to “walk through” the application process. Variety of positions with upward mobility. Entry-level positions require associate degree or 2-years of post-high school work experience.
- Ohio Hospitals – New opportunity to tap into remote work for Ohio based hospitals. Initial positions of need include medical billing and coding.
