

Enrichment Services Report

Throughout the month of November, we provided users with a variety of programs:

- Merry Money
- Virtual Storytime
- YA Listeners
- Fri-Yay
- Bingo-to-Go
- Puzzle Palooza
- Virtual Scavenger Hunt
- CHA Meal Service

The CHA Meal Service program and Storytime-to-Go kits have been successful at the libraries. Currently, we are wrapping up Merry Money. Participants are "buying" gifts with the monies they earned from reading. They are reserving items from the online Santa Shop and picking them up via curbside.

Allison is working on a Holiday themed live storytime to take place on Thursday, December 17 at 1 p.m. In this program, Allison will read a story and instruct how to do a craft. We are excited to see how it goes!
