

Enrichment Services Board Report April 2021

We are providing the following programs and services to the community:

- Virtual Storytimes on YouTube and Facebook
- Curbside After School Meal Program for ages 18 and under at all of the branches
- Craft Kits-to-Go for all ages at all of the branches
- Imagination Library for Adams County residents
- Hot Spot Program at all of the branches
- Free Take-Home COVID-19 Test Kits at all of the branches

The programmers and Julia have thoroughly planned outdoor events for Storytime and SRP. Raincheck days will occur in case of inclement weather. Health and safety guidelines will be enforced by the library staff. We will create registration sheets and health and safety signs. We are promoting the programs with these ideas in mind. We created flyers and handouts to give to the schools and local businesses to display and handout. We are advertising via our website and social media platforms. Lastly, we are planning a memorial garden at the Peebles branch for the Tuner and Knauff families. We plan to work with local businesses as much as possible.
