Dear Nick Slone and Adams County Public Library Board of Trustees,

Please accept this formal notification that I'm resigning as Youth Outreach Specialist for the Adams County Public Library. I'm taking a break from the work force to focus on my family. My last day will be Friday, July 30.

Thank you so much for the opportunity to work for the library in various capacities over the years, from when I started as a part-time library clerk in June 2012, to full-time library clerk (and later library assistant), and finally to youth outreach specialist. I've truly loved working for the library. Helping patrons find just the right book, seeing the excitement on children's faces when I'm reading a story, and traveling around the county, doing van stops, have been just some of my favorite parts about this job. I'm also so thankful to have worked with some amazing people over the years. I couldn't ask for better coworkers.

I wanted to give you plenty of notice of my resignation so that you have time to find my replacement. My goal is to make this transition as smooth as possible, so I will do everything I can to prepare my replacement. Please let me know if there is anything else I can do to ease this transition.

Thank you again for the opportunity to work for Adams County Public Library. The library will always be dear to my heart. I wish you all the best.

Sincerely,

Deborah Cumberlandge
